

FACES of TOURISM

visitmuncie.org

Nominations are now being accepted for the 2017 Inaugural Faces of Tourism Awards!

Tourism has many faces in Delaware County. The Muncie Visitors Bureau encourages everyone to think about tourism in our community during National Travel and Tourism Week May 7 - 13.

What faces come to your mind when you think of tourism in Delaware County? Is it a salesperson at a local shop, a server or bartender, or maybe a docent at your favorite museum. These awards will honor employees in the tourism/hospitality industry who enhance visitors experiences in Delaware County.

The Faces of Tourism Awards was created in coordination with the National Travel and Tourism Week (ustravel.org). This national event brings awareness to and acknowledges the economic impact of travel and tourism to communities such as Delaware County.
